

Parable of the Talents

Kay Perez

Jesus talked about talents in Matthew 25:14-30. A talent was a unit of weight and money. It took many years to earn. Whether a talent refers to money or ability, as it does today, in this parable, the one who has a talent has a responsibility on how to use his talents. There is a warning in verse 30 that those who are unprofitable will be cast out into outer darkness.
